

Baxter

Hillrom™

Expanding Connected Care and Medical Innovation Globally: Baxter to Acquire Hillrom¹

Accelerating our Shared Vision to Transform Healthcare

Improving clinical outcomes and efficiencies through accelerated product and digital innovation

Expanding the reach of our combined portfolio

Advancing a common commitment to inclusion and corporate responsibility

Creating meaningful value for the stakeholders that rely on us

“Baxter and Hillrom are uniting to meet the challenges of a rapidly evolving global healthcare landscape, while also creating significant value for all the stakeholders we serve.”

—José [Joe] E. Almeida, Chairman, President and CEO, Baxter

“We are confident that Baxter is the ideal partner to enhance our global reach and realize the true potential of our vision as we work together to accelerate medical innovation worldwide.”

—John P. Groetelaars, President and CEO, Hillrom
